

Welcome to 3rd Grade

Dear Parents and Guardians,

It's hard to believe another summer is winding to a close. I hope that your child continues to have a wonderful summer break and that they are getting ready to come back to school! As the first day of school approaches, I am filled with excitement to meet all my new, eager students whom I will spend the year with.

This year in third grade we will be learning so many fun things! Some of my favorites things to teach in third grade are multiplication and fractions during our math block and our Ancient Rome and Solar System units in Language Arts. I also love teaching about force and motion as well as heat and light during our Science Block! We will also get to take exciting field trips to learn about Iron County. And last, but not least, we will even learn how to read and write cursive this year. Whew! That is a lot of cool stuff to learn!

Our first day of school is Tuesday, August 15th, 2017. School will begin at 8:50am and will end at 3:30pm. Please be sure to send a backpack with needed school supplies and a lunch or lunch money on the first day.

I would like to invite you to attend Back to School Night on Thursday, August 10th, 2017. The PTA open house will run from 6-8pm and my classroom open house will run from 6:30-7:00pm. More information regarding this event is included with this packet in a letter from Principal Jenkins.

Also in this packet, I have included a list of suggested school supplies that will be used throughout the year by your child. If your child can bring these items to school on the first day, that would be super helpful! Also listed, are some items that our class would love to have donated to help us get through the year. These are things that we use regularly to keep us working hard, AND keep things clean! There is no obligation for you to supply any of the items that are listed; however, if you find room in your heart, and your wallet, any donation would be greatly appreciated.

Enjoy the rest of your summer! Please encourage your student to come back to school with a winning attitude and ready to learn. We will have so much fun together!

Mrs. Yardley

Meet the Teacher

Hi! My name is Mrs. Macey Yardley. This is my 5th year teaching at ISE and I love being a part of the Third Grade Team. More importantly, I am thrilled to be your teacher! It's going to be a fun year full of lots of learning and new adventures. I can't wait to see what is in store for us. I want to know all about you, but first I am going to tell you all about myself.

I was born and raised not too far away from Cedar City in a small town. I am the youngest of seven children. I have four sisters and two brothers. I am an aunt to 30 nieces and nephews and they are the coolest people I know. I love them all so much! ☺ I graduated from SUU with a degree in Elementary Education and I absolutely love teaching. It's the best job in the world.

I love to watch and play most sports. I also love the outdoors. My favorite place to visit in the summer is Lake Powell, but I also really enjoy camping trips with my family.

I am married to a pretty cool guy. His name is Tyler. Together we have three awesome kids. Treven who is 14, Taylen who is 10, and Glavin who is about 2. They keep me VERY busy between football, gymnastics, baseball, and everything else they decide to do! I love it though!

My favorite Things

Color:	Turquoise
food:	fettuccini Alfredo
Hobby:	Playing Volleyball
Season:	fall
fast food:	freddy's
Drink:	Coconut Coke
Sport:	Volleyball/Baseball
Animal:	Tiger
Book:	Can't pick one!
Song:	Changes Often

Supplies List

Each Student Will Need:

One 1½ inch WHITE Binder
Colored Pencils
A Pencil Box
2-3 Highlighters

NOTE: PLEASE keep it simple and send a plain white binder. We will not be able to use anything else. (colored or printed binders)
*If you cannot supply these items for yourself, Mrs. Yardley will make them available to you for your use.

General Classroom Donation Items:

Germ X
Lysol/Clorox Wipes
Highlighters
Pencils
Blue Pens
Dry Erase Markers
Paper Plates
Plastic Utensils
Tissue Boxes
