

Hello and Welcome to 4th Grade!!!

Dear boys and girls,

I hope you have all enjoyed your summer. I know I have! This summer I have gone hiking, swimming, travelling, and spent time with my cute dog and family. I am excited to start this new school year. My name is Ms. Thorne and I will be your 4th grade teacher. I cannot wait for a fun, and successful upcoming year.

I was born in Las Vegas and attended BYU-Idaho where I graduated with a degree in elementary education, K-8th grade.

I love being a teacher. I have previously taught 2nd grade in Clark County School District for my student teaching, and this will be my second year as a 4th grade teacher at Iron Springs.

4th grade is an adventure and I am so excited to experience it with you. This year is going to be so great! I have a lot of fun things planned for us. I believe that a successful year starts with open communication between the teacher and students, and the teacher and parents. Parents, please feel free to email me at any time if you have any concerns or questions. My door is always open.

I look forward to meeting you and your parents at Back to School Night August 10th and I cannot wait to meet YOU the first day of school, August 15th!
